Plaintiffs,

v.

CITY OF WEST POINT, NEBRASKA, et al.

Defendants.

CONSENT DECREE

Background

WHEREAS, Plaintiff, the United States of America ("United States"), by the authority of the Attorney General of the United States and through its undersigned counsel, acting at the request and on behalf of the Administrator of the United States Environmental Protection Agency ("EPA"), and Plaintiff, the State of Nebraska ("State" or "Nebraska"), by the authority of the Attorney General of Nebraska and through its undersigned counsel, acting at the request and on behalf of the Nebraska Department of Environmental Quality ("NDEQ"), previously filed a Complaint alleging that Defendant, Wimmer's Meat Products, Inc. ("Wimmer's" or "Defendant"), among others, has violated the Clean Water Act ("CWA" or "the Act"), 33 U.S.C. § 1251 et seq.;

WHEREAS, the Defendant is a corporation organized and existing under the laws and constitution of the State of Nebraska;

WHEREAS, the Defendant owns and operates a meat processing and production facility in West Point, Nebraska;

WHEREAS, the Defendant's facility in West Point, Nebraska is a "user" or "industrial user," as defined by 40 C.F.R. § 403.3(j) and 33 U.S.C. § 1362(18), of the City of West Point's ("City") Publicly Owned Treatment Works ("POTW"), and discharges non-domestic "pollutants" thereto, as defined at 33 U.S.C. § 1362(6);

WHEREAS, EPA inspected the Defendant's West Point, Nebraska facility on April 10-13, 2006;

WHEREAS, based on the results of that inspection, EPA determined that the Defendant violated the General Pretreatment Regulations found at 40 C.F.R. Part 403, and Sections 301(a) and 307(d) of the Act, by introducing pollutants into the City's POTW resulting in "pass-through" of pollutants or "interference" with the operations of the POTW;

WHEREAS, the State of Nebraska ("State") has joined in this action, in satisfaction of the requirements of Section 309(e) of the Clean Water Act, 33 U.S.C. § 1319(e);

WHEREAS, the Plaintiffs allege that Defendant has violated Sections 301 and 317 of the Clean Water Act, 33 U.S.C. §§ 1311 and 1317, and regulations promulgated under the CWA at 40 C.F.R. Part 403, by introducing pollutants to the City's POTW that have caused "pass through or interference," as defined at 40 C.F.R. § 403, and which have contributed to the discharge of pollutants from the POTW in excess of the numeric and narrative effluent limitations set forth in its NPDES permit;

WHEREAS, Defendant denies and asserts defenses to Plaintiffs' claims; and

WHEREAS, the Parties agree, and the Court by entering this Consent Decree finds, that

settlement of the claims alleged in the Complaint without further litigation or trial of any issues, is fair, reasonable, and in the public interest and the entry of the Consent Decree is the most appropriate way of resolving the claims alleged in the Complaint.

NOW THEREFORE, it is hereby ORDERED, ADJUDGED and DECREED as follows:

JURISDICTION

1. This Court has jurisdiction over the subject matter of this action and over the parties to this action pursuant to Section 309(b) of the Clean Water Act, 33 U.S.C. § 1319(b); and 28 U.S.C. §§ 1331, 1345, 1355, and 1367. The Complaint states a claim upon which relief may be granted against Wimmer's under Section 309 of the Clean Water Act, 33 U.S.C. § 1319, for injunctive relief and civil penalties. Defendant waives any and all objections that it may have to the Court's jurisdiction to enter and enforce this Decree. Authority to bring this action is vested in the United States Department of Justice ("DOJ") pursuant to Section 506 of the Clean Water Act, 33 U.S.C. § 1366, and 28 U.S.C. §§ 516 and 519.

20. This Consent Decree resolves the claims against Wimmer's for civil penalties for

the violations alleged in the Complaint filed by the United States and the State of Nebraska in this action and civil penalties for violations of the pre-treatment requirements of the Clean Water Act, 40 C.F.R. Part 403 and 33 U.S.C. § 1317 and 33 U.S.C. § 1311 (but, with respect to 33 U.S.C. § 1311, this Consent Decree resolves claims for civil penalties only to the extent that the discharge of a pollutant could be alleged as violating 33 U.S.C. § 1317 or 40 C.F.R. Part 403), Neb. Rev. Stat. 81-1506 and 81-1508.02, and Title 119, Chapter 26 of the Nebraska Administrative Code at Wimmer's West Point, Nebraska facility through the date of lodging of this Consent Decree.

21. The United States and the State of Nebraska reserve all legal and equitable remedies available to enforce the provisions of this Consent Decree, unless expressly stated in the Consent Decree. This Consent Decree shall not be construed to limit the rights of the United States or State of Nebraska to obtain penalties or injunctive relief under the Act or implementing regulations, or under other federal or state laws, regulations, or permit conditions, except with respect to claims that have been specifically resolved pursuant to Paragraph 20. The United States and State of Nebraska reserve all rights against Defendant with respect to criminal liability. The United States further reserves all legal and equitable remedies to address any imminent and substantial endangerment to the public health or welfare or the environment arising at, or posed by, Wimmer's facility, whether related to the violations addressed in this Consent Decree or otherwise.

22. In any subsequent administrative or judicial proceeding initiated by the United States or the State for injunctive relief, civil penalties, other appropriate relief relating to Wimmer's facility or violations, Defendant shall not assert, and may not maintain, any defense

or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States or the State in the subsequent proceeding were or should have been brought in the instant case, except with respect to claims that have been specifically resolved pursuant to Paragraph 20.

23. This Consent Decree is not a permit, or a modification of any permit, under any federal, State, or local laws or regulations. Wimmer's is responsible for achieving and maintaining complete compliance with all applicable federal, State, and local laws, regulations, and permits; and Wimmer's compliance with this Consent Decree shall be no defense to any action commenced pursuant to any such laws, regulations, or permits. The United States and the State do not by their consent to the entry of this Consent Decree, warrant or aver in any manner that Wimmer's compliance with any aspect of this Consent Decree will result in compliance with provisions of the Act, 33 U.S.C. § 1251, et seq., or with any other provisions of federal, State, or local laws, regulations, or permits.

24. This Consent Decree does not limit or affect the rights of the Parties against any third parties, not party to this Consent Decree, nor does it limit the rights of third parties, not party to this Consent Decree, against Wimmer's, except as otherwise provided by law or explicitly set forth herein.

25. This Consent Decree shall not be construed to create rights in, or grant any cause of action to, any third party not party to this Consent Decree.
