INSTRUCTIONS

HOW TO USE THIS FORM. This form can be used as either a Preliminary or a Final Loan Summary. A Preliminary Loan Summary is mailed to the Nebraska Department of Environment and Energy. After a review, the form is returned to the lender for use later as a Final Loan Summary.

PRELIMINARY OR FINAL LOAN SUMMARY. This form can be used as either a Preliminary or Final Summary, or both. Please check the appropriate box and date completed.

BORROWER INFORMATION. Type or print the borrower's name and mailing address in the space provided. Include federal taxpayer identification number, legislative and congressional districts and county. List all those who are signing the note. A borrower may apply for more than one type of loan.

LOAN CATEGORY. Enter the type of loan for which the borrower is applying:

Residential means a single family unit or all or part of a multi-family housing unit owned or rented by the borrower.

Business/Nonprofit means any business or nonprofit including agricultural processing businesses, on or off farm or ranch, and landlords whose sole business is the rental or management of property.

Local Government is any political subdivision below state government, excluding public school districts.

Agricultural is any place which produces \$1,000 or more of agricultural products during the course of a calendar year.

Energy Star[®] Partner means a business, nonprofit, or local government eligible under the loan program who has signed up as a U.S. Environmental Protection Agency Energy Star[®] Partner.

Other is for other eligible sectors under the program not listed such as dedicated alternate fuel vehicle or fueling facility, telecommunication equipment or Energy Star[®] certified home electronics and office equipment.

Location No. If a multi-family unit, list the number of units

under the Residential category in the space provided. A unit is considered multi-family if it contains two or more dwellings, i.e. a duplex or a building with two or more apartments. List the **Location of Improvement** by giving the street address or legal description and name of city. If the property is not located in a city, give the legal description and note that the location is rural. List the county, legislative district and congressional district where the improvements will be made. Also supply cost figures as requested.

LOAN STATUS. Enter appropriate loan information in the spaces provided. If Loan Summary is a preliminary, it is not necessary to provide the loan number, date of first payment, or maturity date. This information needs only to be provided with the Final Loan Summary.

Supply name of financial institution, mailing address, contact person, telephone, routing numbers and email address.

BIDS. Costs for improvements must be supported by copies of actual bids or quotes. These are to be submitted along with the appropriate application forms. If an electric or natural gas utility proposes to supply the goods or services for the improvement(s) or replacement(s) for which it has performed the energy calculations, bids or quotes for the cost of goods or services from the utility and *two other* bidders must be supplied.

FINAL LOAN SUMMARY (Explanation of Changes). If the original Loan Summary was checked as Preliminary, list any changes in preliminary information including changes in a project and its cost. The Nebraska Department of Environment and Energy's share will be adjusted upward or downward depending on the final eligible costs and loan amount. If there were no changes in the section check the box "None."

If the original Loan Summary was checked as Final, you do not need to fill out Explanation of Changes.
