2. The discharge flowed into and						
(ditch, drainage way, stream name)						
into (name of primary stream)						

3. Did the discharge: \bigcirc flow directly into surface water? \bigcirc flow over crop land prior to discharging to surface water?

	(width in feet);		(depth in feet)
5. Discharge started on _		at	<u> </u>
	Date (mm/dd/yy)		Time (indicate a.m. or p.m.)
6. Discharge ended on _			Time (indicate a.m. or p.m.)
	Date (IIIII/dd/yy)		Time (marcate a.m. or p.m.)
7. Was the start time: O	Actual start time? o	When o	discharge was discovered?
8. Average flow of the dis	scharge was:		(gallons/minute)
9. Estimated total volume	e of discharge:		(gallons or cu. feet)
10. Was LWCF damaged	d? ○ Yes ○ No If yes	s, desc	ribe damage to the LWCF:
12. What factors and con		ze adv	rerse effects to the environment from
13. Describe any obvious	s or known impacts to	the en	vironment from the discharge:

condu	n a case-by-case basis, the Department ucted, the following procedure should be the sheet of paper to provide the following information.	followed as outlined below					
ü	When were the samples collected?	DATE:	_ TIME:				
ü	When did the lab receive the samples?	DATE:	_TIME:				
ü	ü What quality control procedures were used for handling the samples?						
	(You may want to contact the lab for special sa of the samples.)		o prevent contamination 				
	Was sample kept cool (with ice) during At what locations were samples taken? discharge, 100 feet upstream and 100 feet dow where the discharge mixed with the surface was marked.	(At a minimum, samples must i vnstream of the discharge point,	be taken at the point of and at the location				
The a	nalysis should include the following item	S:					
b. nitra c. Kjel d. pH; e. tem f. temp g. tota	al ammonia as nitrogen; ate-nitrite as nitrogen; Idahl nitrogen; ; nperature of the effluent (field measurem perature of the receiving stream (field measurem) al phosphorus as phosphorus (unfiltered) orides.	easurement);					

CERTIFICATION

I certify that, to the best of my knowledge and belief, I have the authority under the laws of the State of Nebraska to sign this form. I also certify, under penalty of law, that this document and all attachments were prepared under my direction or supervision, in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations

X		
Signature of Authorized Representative	Date	

Title 130, "Livestock Waste Control Regulations," requires verbal notification to the Department within **24 hours** of becoming aware of a discharge or an anticipated discharge, at (402) 471-4239; or after business hours or weekends, at (402) 471-4700.

A written notification and report of the discharge must be submitted to the Department within **5 days** of the discharge. The written report should be submitted to the address at the bottom of this page.

If you observe dead fish that could have resulted from the discharge, contact the Nebraska Game and Parks Commission immediately at (402) 471-0641. After hours, call (402) 471-4545.

"Authorized Representative" means, for:

A Corporation: a principal executive officer in charge of a principal business

function and of at least the level of vice president; or A Limited Liability Company: a manager or principal executive officer; or

A Partnership: a general partner; or A Sole Proprietorship: the proprietor; or

A Municipal, state or other public entity: a principal executive officer or ranking elected official
